

Barossa Valley Little Athletics Club

Wet Weather Policy

In the event of rain / thunder/ lightening on a scheduled Competition night the committee will consult and make a decision at 4.30pm to either proceed or cancel the competition night.

After this time for confirmation as to whether the competition night is to proceed or has been cancelled you can contact Jim (0407 052 137).

Hot Weather Policy

If the temperature at 4.00 pm is 35°C or higher as recorded at the Nuriootpa weather station on a planned improvement night, a modified program of 3 events will commence at 6 pm.

If the temperature at 4.00pm is 40°C or higher as recorded at the Nuriootpa weather station on a planned improvement night, the night will be cancelled.

If the temperature at 4.00pm is 35°C or higher as recorded at the Nuriootpa weather station on a training night, training is cancelled for all age groups.

Any alterations will be notified by SMS as soon as possible
